Dear Sir!

The 3^d November a.c. it will be just
30 years that Mr. Prudik is working at
the Ermitage Museum. His friends
and collaborators of the Museum have
decided not to let the day pass away
unnoticed. I take the liberty of in-
forming You about that to make it
possible to the American Numismatic
Society to congratulate him on the
day of his jubilee, if the Society would
like to do it.

With the best compliments
Yours very truly

Dr. Zograpf

Dear Sir,

I have acknowledge with many thanks the receipt of the "Numismatist", v. v. XXVII-XXXVII. It is indeed mostly kind of You as You have made this very valuable present to the Library of the Ermitage Museum.

Alex Bykov,

Secretary of the Department
of Coins.
